DISCUSS TOGETHER

Unity? What does that mean?

Unity means together. Being joined as a whole.

Can you name any friends?

Can you name members of your family?

Is there someone you fight with a lot?
What ways could we act that would help stop fighting?

Jesus loves unity so much so that his last prayer on earth was all about it. Jesus loves it when are together and when there is no fighting between his people. He gets sad when we fight with our brothers or sisters or friends.

Jesus knows when we live in harmony, when we stand as one our world is brighter, stronger and better.

PRAYER:

Jesus, Thank you for my family and friends. Help me be kind and listen
and always remember that being together is always better.
